Our responsibility is to express an opinion, based on our review, to the annual general meeting of shareholders regarding whether the guidelines for remuneration to senior executives have been complied with. We conducted our review in accordance with FAR's recommendation, RevR 8 *Review of remuneration to senior executives of listed companies*. The procedures selected depend on the auditor's judgment, including the assessment of the risk that the guidelines have not, in all material aspects, been complied with. In making this risk assessment, the auditor considers the aspects of internal control relevant to compliance with the guidelines, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control

We believe that our review provides a reasonable basis for our opinion below.
