About Arise Windpower

Arise Windpower is one of Sweden's leading companies in onshore wind power. Its business concept is to sell electricity generated at the company's own wind turbines. The company's target is to have 1,000 MW of onshore wind power constructed and under management by 2017, of which 500 MW will remain in the ownership of the company. Arise Windpower is listed on NASDAQ OMX Stockholm.
