

## PRESS RELEASE

Halmstad, 30 May 2013

### **Loan agreements in the amount of approx. SEK 280 million have been signed with DNB and Swedbank**

As previously announced the company has taken decisions to invest in 15 wind turbines across three wind farms. Based on the binding credit approvals the company received in conjunction with taking the investment decisions, loan agreements have now been entered into with DNB as regards one of the projects (approx. SEK 150 million) and with Swedbank as regards two of the projects (approx. SEK 130 million).

Construction has begun on all projects which in total are expected to produce approx. 87,000 GWh per year.

Commissioning will take place during the autumn of 2013.

#### **About Arise Windpower**

Arise Windpower is one of Sweden's leading companies in onshore wind power. Its business concept is to sell electricity generated at the company's own wind turbines. The company's target is to have 1,000 MW of onshore wind power constructed and under management by 2017, of which 500 MW will remain in the ownership of the company. Arise Windpower is listed on NASDAQ OMX Stockholm.
