##### **Item 11**

The Board proposes that unappropriated earnings of TSEK 973 331 are carried forward to a new account.

##### **Item 13**

The Nomination Committee proposes that four ordinary board members are elected. The members are to be appointed until the end of the first AGM held after 2017. The Nomination Committee proposes that one registered public accounting firm is appointed as auditor. The Nomination Committee proposes that the registered public accounting firm is elected until the end of the first AGM held after 2017.

##### **Item 14**

The Nomination Committee proposes that the total remuneration for the Board and its Committees is a maximum of SEK 1,675,000, which means that the total remuneration is unchanged. SEK 625,000 is remuneration to the Chairman and SEK 250,000 is remuneration to every other member of the Board of Directors who is not employed by the Company. SEK 250,000 in total is proposed to be paid in remuneration for work in the Audit Committee (of which the Chairman receives SEK 100,000 and every other member SEK 75,000), and SEK 50,000 in total is proposed to be paid for work in the Remuneration Committee (of which the Chairman receives SEK 50,000).

It is proposed, in accordance with the recommendation from the Audit Committee, that remuneration for the auditor should be paid according to customary norms and approved invoice.

##### **Item 15**

The Nomination Committee proposes that Jon Brandsar, Joachim Gahm, Peter Gyllenhammar and Maud Olofsson are re-elected as ordinary board members. Furthermore, it is proposed that Joachim Gahm is re-elected as Chairman of the Board.

Information on the Board members can be found in the Annual Report and at [www.arise.se](http://www.arise.se).

At the AGM held 2016, Öhrlings PricewaterhouseCoopers AB was elected as the Company's accounting firm for the period until the AGM held 2017. The Nomination Committee proposes, in accordance with the recommendation from the Audit Committee, that Öhrlings PricewaterhouseCoopers AB is re-elected as accounting firm for the period until the end of first AGM held after 2017.

Item 16

Appointment of the Nomination Committee will take place before coming elections and payment of remuneration. It is proposed that the Nomination Committee should consist of five members, representing the four largest shareholders at the beginning of October together with the Chairman of the Board. Remuneration will not be paid to the members of the Nomination Committee.

Item 17

The Board proposes that the AGM resolves to adopt guidelines regarding remuneration for group management of the Company, including fixed salary and, from time to time, variable payments to the group management. According to the guidelines, such variable payments can amount to a maximum of SEK 3,200,000 (SEK 4,200,000 including social security contributions). Variable payments should in principle be based on the Company's results. The Annual Report for 2016 specifies remuneration and benefits for the senior management during 2016.

Item 18

The Board proposes that the AGM authorizes the Board to, until the next AGM, on one or more occasions, resolve to increase the Company's share capital by (1) issue of ordinary shares and/or preference shares and (2) issue of convertible bonds transferable to ordinary shares and/or preference shares. The Board of Directors may deviate from the shareholders' preferential rights. The authorization also includes the right to decide on payment in kind, set-off or other conditions. The issue price shall, as a starting point, be the share's market value at each time of issue.

Upon a resolution pursuant to the authorization and with deviation from the shareholders' preferential rights, the total number of shares to be issued through the issue of ordinary shares and/or preference shares and/or convertible bonds transferable to ordinary shares and/or preference shares shall not exceed 10 percent of the outstanding shares in the company at the time of when the authorization is exercised for the first time (this shall not prevent convertible bonds from being combined with conversion terms which, if applied, may result in a different number of shares). The purpose of the authorization, as well as the reason to allow deviation from the shareholders' preferential rights, is to enable changes of the capital structure of the company, acquisitions or other structural businesses in the line of business.

Item 19

The Board proposes that the AGM authorizes the Board to decide on, until the next AGM, acquisition of a maximum of 1/10 of outstanding ordinary shares from time to time with funds that can be used for appropriation of profits. It is proposed that the authorization should include the right to decide on an exemption from the shareholders' preferential right. If the acquisition takes place at Nasdaq Stockholm the price shall be within the, at each time, registered price interval. It should be possible to acquire shares in order to enable changes of the capital structure of the company, to finance acquisitions or other transactions, or otherwise for disposal or redemption.

Item 20

The Board proposes that the AGM authorizes the Board to decide, until the next AGM, to dispose of a maximum of 1/10 of all ordinary shares. It is proposed that the authorization should include the right to decide on an exemption from the shareholders' preferential right, the conditions therefore and the way which the disposal takes place. It should be possible to dispose of the shares in connection with possible acquisitions or other transaction or by sale on the open market. When disposing of the shares on Nasdaq Stockholm the price shall be to the current quotation.

**Particular majority decisions**

Valid resolutions under items 18, 19 and 20 require that the proposals are supported by shareholders representing at least two thirds of the votes submitted and represented at the Meeting.
