According to the Nomination Committee's proposal four ordinary Board members were elected: Jon Brandsar, Joachim Gahm, Peter Gyllenhammar and Maud Olofsson. Joachim Gahm was re-elected as the Chairman of the Board.

The remuneration for members of the Board of Directors and its committees shall be unchanged from previous year and amount to a total of SEK 1,675,000 which means that the total remuneration is unchanged. SEK 625,000 is remuneration to the Chairman and SEK 250,000 is remuneration to every other Board member who is not employed by the Company. SEK 250,000 in total is proposed to be paid in remuneration for work in the Audit Committee (of which the Chairman receives SEK 100,000 and every other member SEK 75,000), and SEK 50,000 in total is proposed to be paid for the work in the Remuneration Committee (of which the Chairman receives SEK 50,000).

It was further resolved that a Nomination Committee shall be appointed before coming elections and remunerations. It shall be made up of five members who shall be appointed by the four largest shareholders as at the start of October as well as of the Chairman of the Board.

Furthermore, the Annual General Meeting resolved to adopt a Remuneration Policy for the Senior Management including a fixed salary and, from time to time, variable payments. Variable payments shall mainly be based on the Company's results.

The Annual General Meeting authorized the Board of Directors to, until the next Annual General Meeting, on one or more occasions, resolve on (1) issues of ordinary shares and/or preference shares and (2) issues of convertible bonds transferable to ordinary shares and/or preference shares, with or without shareholders' preferential rights to participate in the issue. The authorization also includes the right to decide on issue in kind or right of set-off. Upon a resolution pursuant to the authorization and with deviation from the shareholders' preferential rights, the total number of shares to be issued through the issue of ordinary shares and/or preference shares and/or convertible bonds transferable to ordinary shares and/or preference shares shall not exceed 10 percent of the outstanding shares in the company at the time of when the authorization is exercised for the first time (this shall not prevent convertible bonds from being combined with conversion terms which, if applied, may result in a different number of shares). The issue price shall, as a starting point, be the share's market value at each time of issue.

The Annual General Meeting authorized the Board of Directors to decide, until the next Annual General Meeting, on acquisition of no more than 1/10 of all outstanding ordinary shares from time to time with funds that can be used for appropriation of profits. The authorization includes the right to decide on exemption from a shareholder's preferential right. If the acquisition takes place at Nasdaq Stockholm the price shall be within the, at each time, registered price interval. It shall be possible to acquire shares in order to enable changes of the capital structure, to finance acquisitions or other transactions, or otherwise for disposal or redemption.

The Annual General Meeting authorized the Board of Directors to decide, until the next Annual General Meeting, to dispose of a maximum of 1/10 of all ordinary shares. The authorization includes the right to decide on exception from a shareholder's preferential right, the conditions therefore and the way which the disposal takes place. It shall be possible to dispose of the shares in connection with possible acquisitions or other transaction or by sale on the open market. When disposing of the shares on Nasdaq Stockholm the price shall be to the current quotation.
