

PRESS RELEASE

Halmstad 3 June 2010

Arise sells own shares

Arise Windpower AB (publ) has reduced the holding of its own shares with 12 000 shares. The sale of the shares has been made at a rate of SEK 50 per share and has made up a part of the payment in connection with the forming of new lease agreements.

After the sale the total number of own shares is 925 500, and the total number of outstanding shares in Arise Windpower AB (publ) is 31 561 070, the same amount as the number of registered shares. The sold shares have not been acquired by authorization of the Annual General Meeting to buy back shares, but have been acquired through a merger with a subsidiary and a former transfer of shares.

About Arise Windpower

Arise Windpower is one of Sweden's leading land-based wind power companies. Arise Windpower's business concept is to sell electricity produced by its own land-based wind turbines in southern Sweden. The company's goal is to commission approximately 300 wind turbines by 2014 which will produce around 2 TWh of environmentally friendly electricity per year. Arise Windpower is listed on NASDAQ OMX Stockholm.
